

Telkom

Annual tariff adjustments 2017.

Tomorrow starts today

Please be advised of annual tariff adjustments that have come into effect from 22 July 2017*. These tariff changes may impact your monthly broadband subscription rates. The majority of affected services will however experience a reduction in rates.

Uncapped internet might now be within your reach.

Telkom has aggressively reduced their Uncapped bundles making it much more affordable

Our Soft Capped Bundles (Residential offers only)

Soft capped Bundles	Old Price	*New Price	Price change	Or get the Uncapped version for only *** more than your old price
